the Petrs' petitions of 1899 were then referred by the Amildar to the Shenkadar who reported that it was said by the villagers that the Petrs were the descendants of the Kerebuidi Inamdars & submitted a deposition taken from Chikegowda (Pokal) to the effect that he had spent much money on the land in question, & would not part with it to the petitioners since they were said to be the descendants of the Kuckaars -

Is this correctly translated?

The Pokal states that 2 of the Petrs are impostors & the other is not known, that the Petrs have got up this enquiries & petitions just to gain under S 2 the attainment of the land which he attained to the land directs that he shd give the lands back to the Inamdars & their descendants.

Upon enquiries the Amildar reported that the Petrs are Kuckaars & their ancestors (one of Subba Chetty Channa (one of Subba (Channa) Venkata (one of Chick Channa) were the Kere buidi Shenkadars as their fathers were the Kere buidi Inamdars & died some 5 years back. During the absence of

On reply the Tahsildar
stated that in an enquiry

in the Inam register, Belina
was the brother of Pet Venkata
& the (Belina) having died

Another Thimma mentioned in the Dream Register was said by the Petn as unknown & them as he was not living in their time -

In the meantime Pobl Chickegowda addressed petitions as follows:

That the marginally noted Kerebandes* Tanks were some years back assigned for the upkeep of the 3 Tanks in the Hosamanur village in the names of the 3 individuals entered in the Dream Register -

Pobel under orders of the
Huzoor Dufturdar are
Jaware appointed, on his
own responsibility for the
service of the deceased Naig
ever since, he (Pobel) has
been in the enjoyment of
his share of the Inam
land - During the famine
the Inamdars having de-
-serted the village, the Inam
lands were brought under
attachment - He (Pobel)
then applied for the Inam
dry land at the rate of
Rs. 1-4 per Kadoo
" 4-8 per Kadoo
obtained the same for
cultivation for one year
on condition of his
restoring the Inam land
to the orgl. Inamdars should
they ever return & demand
for the same on pay.t of
the Quit rent due - the
wet lands were likewise

obtained by Varagoora
of Madduhalli - He (Patel
Chickegowda) impressed the
land at a heavy cost of
Rs 500, besides paying Rs. 20
towards the cost of the
Band & stones - When
the matter ended thus,
one of his adherents Lakka
-mathappa having insti-
-gated 2 strangers therein
+ Puttaiah of Kyatanahalli
made them thus last
year claim as
being the heirs of Kempanna
& steps were in consequence
taken to dispossess him
(Patel) of the aforesaid lands -
Chickegowda further stated
that it was said in the
Kail it was agreed between
both Hanuma Oggunnavar
that the lands should be
restored to the Rayatadars
in case of their returning
to the village & paying up
the quit rent but it does
not convey idea that
the

lands should be restored
to the heirs of the Rajatarakan
this fact should be fairly
considered — If Pett Thamma
alias Putta was really the
son of Kerebandi Thamma,
he would not have hitherto
lived & carried on cultiva
tion in Kyatanahally village
paying michaturfa tax-
& he would not have, besides
lost so much time in
getting back his Hickdari
Imam — The complaints
of the Petn, who were no doubt
"Pretenders" quite uncon=
=nected with the Kerebandies,
were Really false & had
been made at the ens
=uvance of Lukshmi =
=pathiengar. Hence was his
great offence

No. 256/500 & 7.8.85.

Then the Sub Dn Offr Mr
Madhavarao recapitula
=ting the above facts &
those given in the Annexures
referred finally ordered
that

that since the Kapuwa
agreed to the conditions
(as ordered by the Jaffna land
officer) to restore the land
to the Inamdars in case of
their returning to the village
& claiming the land,
the Maharaja in refusing
to make over the land
in dispute to the Petrs on
the ground that he insisted
the land at a heavy cost
(2 lacs) had acquired a right
to it since he got one Jaffna
appointed in his own
responsibility in room
of Kurukkundi Vanniya,
who died issueless & whose
services the other Kere=
yandies refused to take
up, cannot be ad

be intimated to Petl Chinna
Sowda & the Petitioners
put in possession of the
lands in dispute -

In reply to Tumilaar after enquiry submitted that full assessment had been received on the margins of rice lands from their respective holders from the years in which they were given for temporary cultivation except for the year Vikrama in which only the wet land remained waste and for which Bunjar condagam of 8-2-6 was due - the further levy of said rent from the Petitioners on the same lands for which full assessment had already been received both from Chickegowda & Narsegowda would be like receiving excess condagam - the Tumilaar therefore solicited the orders of the Sub-Collector if the land in question, and

His Memo No: 138 of 21st June enclosed on the Memorandum of the Chief Secretary No: 154 dated 12th June 1888 calling for report with proceedings concerning the petition of Venkata Hanmavar Hobli, Nagamangala Taluk.

In reply has the honor to submit that the dry land No: 450 measuring K C P. 2-8-10 having a beriz of Rupees 27-11-4 formed a portion of Kerebunti Inam Land registered in the names of Belluna, Bhemma and Venkata. During the famine of Balundanya, 2 of them having died. the survivor the families of the deceased went away to Coffee Estates and other places - Consequently the dry land lay waste - In the year Vikrama (1880-81) Bhikkai Gowda, Patel of Lukkunisagara applied for

the

the land : Mandayan Tenure and
after a good deal of correspondence
per J. R. Skinner Esq. Deputy
Commissioner of Hazaribagh granted
the land to the Ryot for buy Kandyan
on the condition that the grantee
should restore the land to the heirs
of the deceased or other Kandyans
if they ever appeared to claim the same and that
such claimants should pay up the
arrears of quitrent that might be

restoration. Subscribing to and accepting
the Conditions proposed on their

2. In the year 1865 Venkata and
Coheena, returned to their former Country
and alleged that they were heirs
of the Deceased and made
application to the Khasmahal Officer for the
restoration of the land in question.
Upon which the Khasmahal Officer
called upon the applicants to state
their petitions and the claimants

to the deceased Iraudaro and that they should be put in possession of the land in question on the condition of these persons agreeing to give due shares to the nearer relations of the registered Iraudaro if they ever happened to come forward. Soon after Patél Cheeka Gowda objected to the petitioners right to obtain possession on various grounds, but it was decided by Mr. Tirumalachar Sub Division officer, in favor of the petitioners. In conformity with this order, the Sheikdar proceeded to give possession of the land to the petitioners, but was resisted by Cheeka Gowda.

* 19-1-86

3. On the 30th January, Cheeka Gowda presented a petition to the Sub Division officer objecting to the rights of the petitioners to the land in question on various grounds and the matter was referred to the Amildar for enquiry.

8-2-86

4 While the Amildar was going on with the enquiry, one Malla alleging himself to be an heir of

of the registered Surveyor applied for a copy of the order directing reinstatement of the disputed land to the boundaries thereon by B.K. Kankaton and Singer called for the proceedings and passed on order to the effect that there is no law which enables the Surveyor authorities to entertain summarily an encroachment of a field which may be the result of the alienation without his consent and that the petitioner should have claims adjusted in a Civil Court.

5. The Surveyor General has returned the record No 135 with its enclosures and a Surveyor's fee and the petitioner received with the dated Nos: 505 of the 22 instant are herewith submitted for reference.
